## About me

Passionate UX/UI Designer trained at EFP Brussels. Hands-on experience in website creation, user research, and user interface design. Comfortable working from scratch and collaborating with clients, sales, and ICT teams. Hackathon award-winner for Inclusivity & Accessibility and Digital Marketing. Currently seeking a UX/UI Designer role.

## Experience

### Web / UX/UI Design Intern

April 2024 – September 2025

Skydoo, Brussels

Designed and developed complete, user-optimized websites; managed client relationships from needs analysis to follow-up; and collaborated with sales and technical teams to ensure solution feasibility.

### Hackathon Participant

March 2025

EFP, Brussels

- Best Inclusivity & Accessibility
- Best Digital Marketing
